Siri Says…

commands in blue, parameters in orange.

lift your right feet

lift a chair

walk like a penguin

walk five steps

rub your tummy

pat your head

sing a love song

sing like a bird

tickle your friend

smell your feet

jump high

jump like a frog

wink at the person next to you

act like a robot

pretend to climb a lather

pretend you are a rock star

walk on your knees

walk backwards

kiss your tummy

scratch your head

wiggle your nose

play air guitar

say something in a foreign language

dance the chacha

crawl like a baby

cry like a baby

shout your name

code like a programmer
